***N. B:**

- *The distribution of the marks is based on the rationale that 1(one) credit = 25 marks (including both external and internal)*
- *All units of the syllabus be given equal/appropriate representation in the question paper.*
- *The distribution in Table 1 to 3 is indicative and in case of any other total course credit score, distribution may be followed proportionately.*
- *This revised question paper pattern shall be effective for PG &FYIMPfrom spring session, 2026 and onwards for both regular and its backlog. However, distribution of marks between external and internal shall be effective from semester 1st of all NEP based FYIMP andPG programmes to ensure uniformity.*
